Our Activities

ROAR Soccer Centres

Our soccer centres develop children through physical activity, with the key element of fun football taught in a respectful and enjoyable environment. The first session is free, thereafter classes are £15 per month.

ROAR at Nursery

For children between the ages of 3 to 5 years, our sessions focus on activities which use both play and football elements to provide an enjoyable and rewarding experience in a fun and safe environment. **Interested? Call us!**

ROAR at School

Our versatile primary and secondary school programmes can be arranged to suit any school environment, whether it's Taster Sessions, Breakfast or After-school Clubs, School Football Teams or Football Festivals. Our coaches are also experienced in engaging with and successfully motivating young people with emotional and behavioural difficulties. **Get in touch for further details.**

ROAR Soccer Academy

In partnership with Milton Rovers, Carlisle, ROAR will run Soccer Academy Experience programmes during all major school holidays. Running Monday to Friday, these intense training camps aim to develop a young athlete in the same way a professional player would be coached. The week concludes with a stadium tour, carnival football day and guest award ceremony. **Interested? Call us!**

ROAR Community Teams

Our Fun Four and Soccer Sevens teams competing within the Monklands League create the opportunity for young players to develop their talent. Team ethics and game-related coaching will help make their dreams a reality.

ROAR Midnight League

We support social inclusion and opportunity for youngsters. Our Midnight League is one way we aim to achieve this. It's a free service to all, and if you'd like to play – or even play a part in supporting us, **please let us know.** It's a community initiative everyone can benefit from.

ROAR Birthday Parties

We have lots of ways to make any birthday memorable and fun – and it's a stress-free solution you can enjoy too. **Contact us for more details and availability.**

ROAR Charity Work

One of the causes we support is Sighted International, who aim to combat blindness in poverty-stricken countries.
